# Kanazawa Culture On-Site

## Crafts Gallery

Our guest corridors double as a crafts gallery displaying the works of local artisans. While allowing guests immersion in the rich crafts heritage of this UNESCO City of Crafts and Folk Art, it is also our way of supporting local community and culture.

## Gardens Reflecting the Seasons

The name “Sainoniwa” translates as “Garden of Colors” In this city known for one of Japan’s Three Most Beautiful Gardens, we convey the Kanazawa appreciation of beauty and nature through four gardens that can be enjoyed in comfort from the corridors, baths and restaurant, reflecting the classic sceneries of the four seasons.
